HIGH SPEED TOFU & DETOX JUICER

RONIC[®]
SINCE 1989

RONIC, the nation's top brand recognized by consumers, has a history of more than 30 years.

Experience our patented high speed heating blender.

You can make a variety of healthy dishes with just one button.

Use it for your family's health.

Red Juice

"Red Juice". You've never heard of it, right? It's simple. It's a juice that makes the blood vessels healthy.

Detox Juice

Drinking detox juice for a certain period of time releases toxins accumulated in the body, and juice is rich in vitamins and minerals. Excellent for dieting and constipation. Strengthen immunity, activate metabolism.

Healthy Porridge · Baby Food

You can easily eat nutritious foods such as soup by simply pressing the button after putting in the ingredients.

Soy milk

Just prepare the beans and water. If you take nutritious soy milk every day, you will be able to see how healthy you are.

Smoothie

Do you still buy and drink smoothies? Instead of a sugar-filled sales smoothie, try a very healthy smoothie yourself.

Soft Tofu

Do you know how nutritious and delicious tofu is? We call tofu "cheese that doesn't get fat."

Tofu is rich in nutrients such as protein, vitamins, and calcium, and has good absorption, so replacing dinner with tofu is very effective for dieting.
